

## Tariff of Accounts and Services of the Bank of East Asia (China) Ltd. (2020.4)

The Bank of East Asia (China) Limited ( "the Bank" ) may, at its own discretion or as required by laws and regulations and/or by the provisions of the supervisory authorities, amend the terms in respect of costs, accounts and services hereunder from time to time. The Bank shall not be responsible for informing its customers in the event that amendments are made subject to the changes of laws and regulations or supervisory authorities. Please refer to the Bank' s official website or written notice of the branches for actual amendments.

The charges listed hereunder shall not include the fees and taxes charged by other organisations (including but not limited to other branches of the Bank and members of The Bank of East Asia Group in or outside Mainland China) and relevant supervisory or governmental authorities. The aforementioned fees and taxes (if any) shall be paid in accordance with the rates set by the aforementioned organisations and relevant supervisory or governmental authorities. Unless otherwise specified, the charges in this document are denominated and paid in RMB. If the fee is paid in an alternative currency, it shall be of the same value as the denominated currency in accordance with the exchange rate issued by the Bank at the time of payment.

The charges listed hereunder are set based on actual costs for labour, system operations and maintenance, communications, intermediate bank fees and other administrative costs, and also take into account the standard service fees charged for similar services by the domestic banking industry.

As authorised by The Bank of East Asia (China) Limited, some branches may offer preferential service fees due to local conditions or regulatory requirements. Please refer to the service charge announcement of the specific branch for any such additional service charge information.

The area, covered by In-city Business, is partitioned by prefecture-level city, and some branches expand their area to the remote branches.

This service charges take effect from Apr. 1st 2020.

The final right of interpretation for this schedule lies with the Bank. The Chinese version shall apply and prevail in case of discrepancies between English and Chinese version.
